

PENNSYLVANIA DISTRICT – KEY CLUB INTERNATIONAL
INDIVIDUAL SERVICE HOURS REPORT FORM
2006-07

District definition of a "Service Hour" as adopted 1-9-93:

"A service hour is defined as one hour of hands-on service volunteered by a Key Club member that will benefit his/her school, community and/or home. Fundraising done by a member, club, division, or zone is considered a service hour when it benefits a project other than a social activity for club members. Service at home is considered a service hour only when it is a Key Club sponsored project. Service at home does not include household chores or obligatory services. Service hours do **not** include meeting or planning times, zone or divisional trainers, interclubbing, convention or convention contests (i.e. distinguished club, single service, scrapbook, oratorical, poster, video, major emphasis)." Not qualifying would be volunteer activities a Key Club member does for other organizations, churches, etc., i.e. teaching Sunday School, singing in church choir, Boy Scouts, hospital volunteer group etc., unless it is an officially sponsored activity of the Key Club, and open to all members.

Member's Name: _____

Address: _____ City: _____ Zip: _____
