

2009-10 Youth Serving Youth (YSY) Project: **Caitlin's Smiles**

Cheryl Hornung founded this organization in memory of her daughter, Caitlin, who was diagnosed with a malignant brain tumor at the age 5. They went from hospital to hospital, and Caitlin never gave up; her spirit stood strong. She loved to do arts and crafts because

it made her feel better – it took away the sadness. Caitlin passed in October of 2000. However, this organization keeps Caitlin's spirit alive through arts and crafts "smile bags" to bring smiles to children experiencing hospital visits just like Caitlin went through.

HOW?

Your club can help by fundraising, being a collection point for items needed for "smile bags," fill and donate smile bags, or put together craft kits. There are many possibilities for your club to get involved!

**3303 N 6th Street
Harrisburg PA**

717-412-4759

Contact

Your club must contact Caitlin's Smiles to coordinate how you can help. No club should take anything to any hospitals. Caitlin's smiles will direct your club on how you can help.
